1. Call to Order

- 2. Attend a Presentation (via Zoom) by Southern Maine Planning & Development Commission**
Topic: Preparing for Sea Level Rise in Kennebunk – This web-based workshop invites Town staff and officials to learn about the findings of the sea level rise vulnerability assessment and economic analysis of the Tides, Taxes, and New Tactics grant project.

Team members will share the assessment results for Kennebunk, present potential adaptation strategies for the Town to consider, and provide an opportunity for municipal staff and officials to ask questions and provide input on ways Kennebunk can begin to plan for sea level rise.
