Town Manager’s Note (not part of the public hearing notice):

Due to the significant rise in COVID-19 cases throughout the State of Maine, the fact that York County has been identified as a “Hot Spot” with a “High” COVID-19 transmission rate, the fact that the State of Maine “Case Counts” are the worst in New England and, the Board’s desire to ensure their meetings are available to the vast majority of citizens, the Board will be holding a public hearing on the proposed Remote Meeting Policy that was initially considered by the Board at their August 24, 2021 meeting and forwarded to a public hearing at that time.

If the Board desires to adopt this policy, the motion could be as follows:
