Bicentennial Committee Meeting
March 13, 2019

Present: Dana Pearson, Cynthia Walker, Steve Spofford, Lori Parkinson, Kathy Roberts, Conrad Berdeen, Linda Johnson, Merton Brown, Ted Trainer, Laura Dolce, Betsy MacDonald, Mike Pardue and Chris Cluff.

Minutes for the February 13, 2019 meeting were approved by motion of Conrad Berdeen, second by Steve Spofford. All were in favor.

Dana Pearson was welcomed to the Committee as the newly appointed alternate member.

The group discussed the Boston Post Cane and the thought of including it in the Bicentennial festivities. Merton Brown suggested that it not be included as it is viewed by several as the "kiss of death." It was suggested that we attempt to find the living person that has lived in Kennebunk the longest and to include that person and others in the activities.

Lori Parkinson reported that the Bicentennial Quilt Project is well on its way. Applications have been slow coming in for those that want to participate so the deadline has been extended to July 1, 2019.

Linda Johnson reported that the Bicentennial Parade applications have been completed. She thanked Cynthia Walker for assisting with the project. It application will go for final review and will be posted to the website.

Chairperson Kathy Roberts announced that new Sub Committee has been established. The Arts Collaborative will produce a juried show during the festivities with prizes be awarded.

The meeting adjourned at 4:20.

Respectfully Submitted:

Merton Brown
