

Lower Village Committee Minutes Town of Kennebunk

Monday, May 6, 2019 - 8:00AM
Washington Hose - Port Road, Kennebunk

1. The meeting was called to order.
2. Minutes for April were approved.
3. Pat will take minutes for this meeting
4. The usual discussion regarding planters and the placement of benches and dories.
5. Patti gave an update on the status of the RFP for electric vehicle charging stations. She met with Town Manager, Mike Pardue to express the Committee's interest in procuring a charging station for Lower Village. Pardue was interested in getting further details including the possibility of multiple sites in Kennebunk. The idea of the RFP was introduced to the Select Board; and representatives of the LVC and the Energy Efficiency Committee and staff sat in on the webinar hosted by Efficiency Maine. N.B. A follow-up presentation will be given to the Select Board on May 28 and the due date for the RFP is July 11.
6. Paving is happening on Rte. 35 but once the striping is completed parking spots will be lost.
7. C of C Update: Lower Village kiosk is now open weekends.
8. Design standards update. Things are moving along although the last subcommittee meeting had to be postponed due to too many being away. Miriam asked John to send examples of ordinances for solar installations. That information will be discussed at the next meeting and then a draft will be ready to be turned over to the Planning Board.
9. Rick mentioned that some of the lanterns are not working and will call the public works department.
10. Although the deadline has passed Patti told us about the Dragon Fly Program in Wells.
11. Motion to adjourn.
