WK Update: Steve explained that the rebuild was larger than anticipated. Thanks to the KHS Senior Project students and Alt Ed students, we would not have opened on time without their help. More recently one water post was replaced and the back gate is being repaired Friday. Steve, Dick and Leslie are working on a capitol budget for fencing replacement next season. WK Harvest tomorrow will be held at 10am due to impending rain.

PSS Update: There is a fence surrounding the garden now with two openings at the front. As a deer deterrent we will attach hologram tape along the top of the fence. All plots are taken and planted. Harvest scheduled for 5:30pm Thursdays, will not begin until next week.

Old Business: Bylaws: Waiting for full complement for circulating and voting.

New Business: Discussion of a communication book at each garden, with plot plan and what is to be harvested at each.
