WK Update: Maintenance will reinforce the field with a stronger fabric as the "felt" incubates the weeds rather than preventing them. Steel posts reinforcing the fence have been put in by the Town. Cedar shingles are available now. The squash bugs and their eggs should be placed in soapy water. There was a record number of volunteers at July 4th harvest. Thank you! MHH donations 391.5, total 440 pounds so far. The June volunteer of the month (VOM) is Tad Kane.

PSS Update: Steps to repel the broccoli-eating groundhog, and their success, are detailed. MHH donation is 48.55 pounds to date. June VOM is Barb Duffy.

Old Business: It's time to seek a quote for the Kiuna sign to be redone. Leslie makes the motion, seconded by Sarah, passed..

New Business: Harvest on August 1st will be adjusted so as not to conflict with the "Music on Main" event downtown.
