

Town of Kennebunk, Maine

Skate Park Ad-hoc Committee

Thursday, July 24th, 2019

Town Hall, 3rd floor

5:30 p.m.

1. Call to Order, attendance of meeting- Jim Trentalange, Karen Beaudoin, Marc Barron, Sharon Staz, Tasha Pinkham, James McClellan.
2. Condition of existing park; Graffiti language is so bad even adults were embarrassed. Skaters are building their own ramps and using them there, no safety checks on features. Some trash around too.
3. Sea Road Site update discussed. Memo and selectman meeting of public services facility survey reviewed. All present at meeting expressed disappointment, frustration and some outright anger with some obvious issues that could have been expressed at the beginning of the investigation of that site. A forested barrier had never been discussed prior to the selectman meeting. The committee all feels we have wasted our time with the committee. Sharon Staz has elected to write a summary of her concerns and many of the other committee member concerns to the board directly.
4. Review of previous site at Parsons was reviewed. Two features that were designed for that site was reviewed and all agreed that would be our final recommendation to the board. There are no other acceptable sites to consider.
5. The committee has decided to disband until a clear concise directive has been established by the board of selectman.
6. Minutes submitted by Jim Trentalange.
