The minutes of the July 2019 meeting were approved by motion of Conrad Berdeen and a second from Ted Trainer with all in favor.

Chairman Roberts reported status on the last site survey conducted by the Maine Historic Preservation Commission.

David Middleton representing the 2nd Mass Regiment elaborated on the events his group could hold. Reiterated the need for water, porta potties and a cord of firewood. These will be provided by the committee. David will contact the police and fire department and work with Parks and Rec and the town to set up the entire event. Ted Trainer, Cynthia Walker and Lori Parkinson will continue working with Mr. Middleton regarding the re-enactor and other Bicentennial activities proposed by Middleton. Fee of \$1,200.00 Due at event.

Chairman Roberts announced that we need the map data input from the Map Committee by September 1st. Steve Spofford said he has written the text for the images. The layout still needs to be fixed. Lori said she will schedule a final meeting on this project for next week. The publication deadline causes urgency for this to be completed.

Committee dialog still debating the need for a parade. A vote will be made to finalize the decision at our September meeting. Due to the impending publication deadline there is not enough time to send out letters to businesses who likely will not reply in time anyway. The program section of the publication will need to include or not include the parade.

Chairman Roberts announced that she has been given the Town EIN certificate to purchase souvenirs and will be working with Betsy M. to do so prior to Christmas.

Steve Spofford will write a piece for the front page of the map by September 1st outlining why he chose the site to be on the map.

Cynthia Walker has begun work on her summer exhibit plans and will help Dana Pierson with writing the main content of the brochure/publication. Cynthia will also write a piece on Native Americans for the publication.

Chairman Roberts will write an overview for the front of the publication Spofford and Joyce Butler will write a historical summary of 1820 - 2020 for the publication. Chairman Roberts will write a piece on the Freed Slave Settlement for the publication. All to be completed by October 1, 2019.

The marketing committee will reach out to those who have committed to donations yet not yet paid by September 1st to know which ones to include in the publication.

Angus MaCaulay will reach out to the school to see if she completed her spring banner project. Banners need to be ordered by November 1st.

Conrad Berdeen will contact the schools about his essay projects in October.

Merton Brown absent, will coordinate an effort to identify a resident or residents that have lived in Kennebunk for the longest, consecutive, amount of time. Perhaps the top three or five would be parade participants.

The meeting adjourned at 3:45.
