

Parks and Recreation Committee Meeting 12/5/18

Meeting called to order at 4:33 PM

Tasha took attendance, as Tyler Stewart was not in attendance. Committee members present:

Tasha Pinkham
Eddie St. John
John Hackett

The meeting started with a very interesting presentation of the Town Comprehensive Plan Update given by Janice Vance. Janice quoted a couple of numbers relating to the Recreation Department that Tasha questioned. Tasha will be reviewing sections pertaining to the department and will be insuring the numbers are accurate.

Tasha gave a brief synopsis of the quarterly report. Answering any questions that came up.

Once done, John Hackett expressed thoughts on issues we have had with the Committee – sporadic attendance, general lack of purpose, and the fact that our Chairperson, Tyler Stewart, had informed us that he was going to have to step down. John explained his belief that for the committee to be a true asset to Tasha and the department, it was important we brought in some new members.

Eddie St. John had questions regarding next steps of bringing new members in and getting an official decision on who was and wasn't still on the Committee. Basically left the meeting with three things that need to be done. Tasha will be speaking with Mike Pardue to get his thoughts on the Committee. She will also reach out to the current committee members to see if they want to continue on the committee. Lastly, Tasha will find out what new members have to do to become official members of the committee.

Meeting adjourned - 5:35
