

## CAN I VOTE NOW?

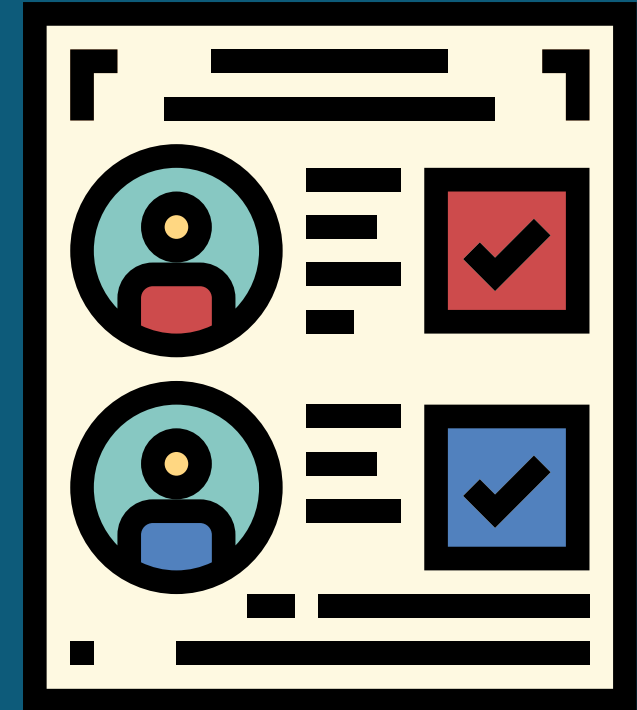

Once the ballots are received by the Town (on or about October 5), you may vote in person at Town Hall, or take ballots home to complete. Voting in person will take place in the Town Hall auditorium during regular Town Hall hours, 8am - 12pm and 1:15pm - 4:30pm through October 30th.

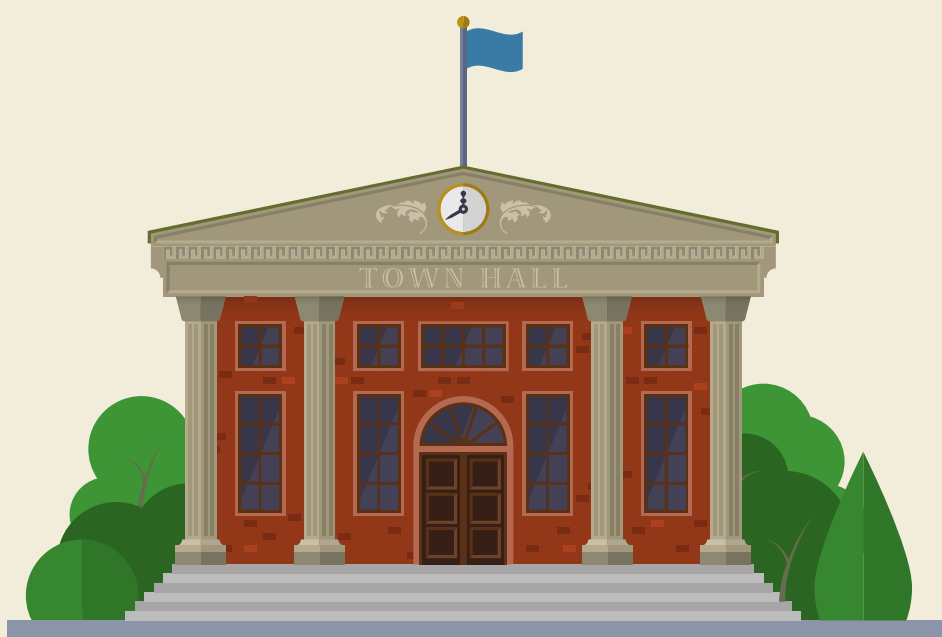

## WILL YOU HAVE AN OUTSIDE DROP BOX FOR BALLOTS?

Yes! A secure drop box will be located near the side entrance to Town Hall (Green Street side), on or about October 1, and be available 24-7 to accept ballots. Ballots issued by the Town Clerk's office or mailed to registered voters may be dropped off using the secure drop box.

## WHAT IS THE DIFFERENCE BETWEEN ABSENTEE VOTING AND MAIL-IN VOTING?

They are the same. All voting in Maine prior to Election Day is absentee voting.

## WHAT IF I DON'T WANT TO USE THE MAIL?

After October 5 you may vote in person at Town Hall, or take a ballot home for yourself and anyone in your household to vote. When you vote in person, your ballot does not leave the building. When you take a ballot home, you can return it in person to avoid using the mail service.

## WHO CAN GET AN ABSENTEE BALLOT?

Any currently registered voter and any voter who registers to vote prior to October 30, 2020.

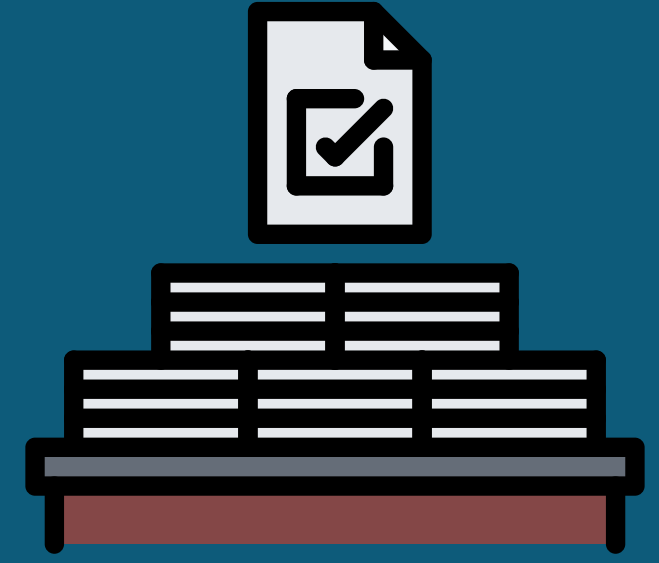

## HOW DO I GET AN ABSENTEE BALLOT?

The best way to get an absentee ballot is to call us at 207-604-1326 and request that we send one to you.

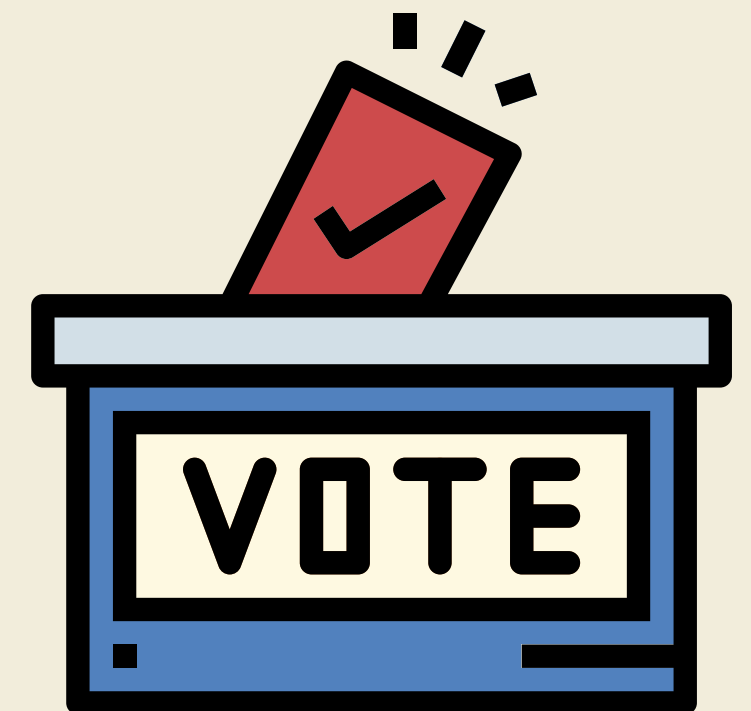

After October 5, 2020, you may come in and get ballots to take home or to vote in person. Ballots are not distributed to Maine Town Clerks until October 5, 2020.

## HOW ARE ABSENTEE BALLOTS PROCESSED?

Absentee ballots are processed and counted in the same manner as Election Day ballots. The difference is that the voter is putting their ballots in an envelope, which they sign and seal. We then open the envelopes and process them by using the same voter tabulation machines that are used on Election Day. Absentee ballots and Election Day ballots are tabulated at the same time.
