

Want to know more about your property?

You can find information about your property on our website using our GIS mapping software and the corresponding District Regulations.

1. Visit www.kennebunkmaine.us/GIS.
2. Enter your address in the **search bar** and click the magnifying glass to search.
3. Double click the property address in the listing of search results. This will display your property on the map.
4. Click the **Layers** tab (next to the Search tab) and select the checkbox next to "Zoning." Click the plus sign to expand the results and display a color-coded legend.
5. Use the legend to determine your Zoning District on the map (for example: RR- Rural Residential, SC- Suburban Commercial).
6. Once you have determined your Zoning District, you can follow the link in the pop-up box on the map to the Zoning Ordinance, or you can visit: www.kennebunkmaine.us/Zoning.
7. District Regulations are found in [Article 8](#) of the Kennebunk Zoning Ordinance. Individual districts are also separated in a list on the [Zoning webpage](#). Each Article contains specific district information such as permitted uses, prohibited uses and standards which provide lot requirements and setback information.
