CONTRACT ZONING AGREEMENT
BETWEEN ONE ALFRED ROAD ASSOCIATES, L.L.C.
and THE TOWN OF KENNEBUNK

This Contract Agreement is made this 4th day of February, 2005 by and between the Town Of Kennebunk, a body corporate and politic located in the County of York and State of Maine (hereinafter the "Town") and One Alfred Road Associates, L.L.C., a Maine corporation located at 1293 Main St., Sanford, Maine.

WHEREAS, One Alfred Road Associates, L.L.C. is the owner of a parcel of real estate located at Alfred Road in Kennebunk, Maine which is shown on Tax Map 20, Lot 2 (hereinafter the "Property") and is shown on Exhibit A attached hereto and incorporated herewith.

WHEREAS, the Property is currently located in the Industrial Zone under the Kennebunk Zoning Ordinance.

WHEREAS, the property is improved with a structure and land that One Alfred Road Associates, L.L.C. and the Town wish to promote with multiple business uses as a Business Park to the exclusion of other uses listed in the Industrial Zone.

WHEREAS, One Alfred Road Associates, L.L.C. has encountered difficulties in developing the Property because the uses allowed in the Industrial Zone prohibit such uses as business and professional offices, business services, daycare centers, and low volume retail sales.

WHEREAS, the existing building on the site would limit the number of industrial uses that could be created on the site.

WHEREAS, One Alfred Road Associates, L.L.C. and the Town believe that other appropriate uses compatible with the neighborhood are possible for the property, including a number of uses which are allowed in the Suburban Commercial Zone or Business Park Zone.

WHEREAS, One Alfred Road Associates, L.L.C. and the Town wish to create a new zone to be known as the One Alfred Road Contract Zone which will permit some of the uses allowed in the Industrial Zone, the Suburban Commercial Zone and Business Park Zone to exist on the Property.

WHEREAS, the Town has the authority to enter into a contract re-zoning for the Property pursuant to 30-A M.R.S.A. §4352 and Article 13(2) of the Kennebunk Zoning Ordinance.

WHEREAS, after notice, public hearing and due deliberation on the re-zoning phase, the Kennebunk Planning Board recommended re-zoning of the Property.
The scale, compatibility of design and materials proposed for other site features, (i.e., signage, canopies, lighting, and landscaping).

Modifications to the Approved Site Plan that involve the deletion of buildings and their associated parking as shown on Exhibits C-1, C-2 or C-3 will not require Planning Board approval or amendment of this Contract Zoning Agreement. Any other changes to the design of the site or additions of buildings or other impervious surfaces not shown on Exhibits C-1, C-2 or C-3 will require Planning Board subdivision and/or site plan approval. In the event that a gas station with retail sales is added to the site, the Planning Board will, in addition, review such project under the design standards established in this Exhibit B. Any changes in use or changes in tenants that will result in an increase in traffic of one hundred (100) or more peak hour trips will require site plan review and approval by the Planning Board. Such other changes will not require an amendment to this Contract Zoning Agreement if they are for uses permitted under this Agreement and meet all applicable dimensional requirements.

The project shall be developed in accordance with the proposed uses shown on the Approved Site Plan except that other uses that are not similar to those shown on the Approved Site Plan may be permitted, on the condition that the Planning Board shall review and approve the requested change in use.

Loading docks are not permitted in areas other than as shown on the Approved Site Plan unless the Approved Site Plan is amended, reviewed, and approved by the Planning Board. No modifications will be allowed which would encompass any buffer 30 foot green perimeter strip abutting residential properties on Alfred Road.

Impervious areas are not permitted within the buffer areas at Alewife Road and Alfred Road, except for pedestrian sidewalks oriented perpendicular to the buffer strips or as otherwise approved by the Planning Board during subdivision or site plan review.

F. Public Street Design Standards

Any public streets proposed as part of the One Alfred Road Business Park shall be designed to Collector Street Standards for Growth Areas, except that a sidewalk shall not be required and the maximum travel way may be 24 feet with curbing on one side of the street. In recognition of the intention to extend the dead end street proposed for public dedication at some date in the future, a temporary easement may be dedicated to the Town for the proposed turnaround area at the end of the proposed public street, which may be outside the right-of-way. The conveyance to the Town for the public street shall extend completely to the edge boundary of the property.
portions shall be deemed as separate, distinct and independent provisions and such
determination shall not affect the validity of the remaining portions hereof.

9. Except as expressly modified herein, the use and occupancy of the Property shall be
governed by and comply with the provisions of the Town of Kennebunk Zoning
Ordinance.

10. The property under this Agreement received a certification of completion of a Voluntary
Response Action Plan by the Commissioner of the Maine Department of Environmental
Protection dated September 23, 2003 and recorded in the York County Registry of Deeds
on September 25, 2003, Book 13512, Page 231.

11. If the applicant fails to begin construction in a substantial manner and in accordance with
an approved plan within 5 years of the effective date of the re-zoning, the Planning Board
may initiate re-zoning to the original zoning classification.

12. In the event that One Alfred Road Associates, LLC, or its successors or assigns fails to
develop or operate the project in accordance with this Agreement or in the event of any
other breach of any condition set forth in this Agreement, the Board of Selectmen of the
Town shall have the authority, after written notice to One Alfred Road Associates, LLC.,
and reasonable opportunity to cure, to terminate this Agreement or to re-zoned the
Town Meeting to re-zone the Property to Industrial or any successor zone. In the event of
such a re-zoning, the Property shall then be used for only such uses as otherwise allowed
