Re: Review of Draft Revisions to the Kennebunk Town Charter

Dear Chair Babcock:

I am an attorney admitted to the Maine Bar and have served as the Town Attorney for several years. Please accept this as my formal opinion pursuant to 30-A M.R.S. § 2103(5)(D)(4) that the proposed revision to the Town Charter, which proposes to amend and reorganize the current Town Charter, does not contain any provision prohibited by the United States Constitution, the Constitution of the State of Maine or the general laws.

Sincerely,

A handwritten signature in black ink that reads 'Natalie L. Burns'.

Natalie L. Burns, Town Attorney
