

CURBSIDE CONTAINER CARE AND USE GUIDE

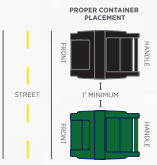

Help us to provide you with the best possible service! This guide illustrates the proper and improper placement of your curbside containers and offers tips to help with the curbside collection of materials.

Please place containers at the curb by 6:00 AM

CONTAINER DO'S

- Keep containers on a hard, level surface clear of snow and other landscaping debris and no more than 6' from edge of curb.
- Please allow containers a 3' perimeter of clearance from obstructions such as parked cars, trees, mailboxes and utility poles. There must also be a 15' over head clearance from any low hanging tree branches or power lines, etc.
- If you have more than one cart placed at the curb, please set them side by side as indicated in the illustration with at least 1' of clearance between the containers.

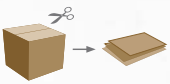

CONTAINER DON'T'S

- Containers must remain upright for pickup
- Keep all materials inside the container
- Do not place containers back to back
- Keep container clear of all obstructions

CARDBOARD HANDLING

Please breakdown all cardboard so it fits into the cart with the lid closed. Cut oversized material into 12" x 12" squares.

ZERO-SORT: HOW RECYCLING GETS DONE

No sorting on your end makes recycling quick and easy! Just focus on tossing all recyclables into one bin and Casella takes care of the rest. Please **empty** and **rinse** all containers as well as **flatten** and **break down** cardboard boxes.

Welcome to Your *New* Curbside Trash and Zero-Sort® Recycling Collection Service!

Casella/Pine Tree Waste appreciates the opportunity to provide curbside trash and recycling service to the Town of Kennebunk.

With Zero-Sort® Recycling, we're making it easier for you to recycle. All paper, cardboard, plastic, glass, metal, and more can be tossed into one bin without the need to separate.

Please refer to the guide on the other side for a detailed list of materials you can recycle. Here's some important details regarding your new trash and recycling service:

- Homeowners will receive two containers: a 64 gallon **green lid** recycling container and a 64 gallon **black lid** trash container
- Trash and recycling will be collected every week
- Please place containers at the curb by **6:00 A.M.**
- No overflow. Items left outside container will not be collected.
- Town PAYT bags** must still be used for trash. Bags are sold at local stores and Town Office.
- If collection falls on New Year's Day, July 4th, Thanksgiving Day or Christmas Day, collection day will move to Friday. All other holidays collected as usual.

FREQUENTLY ASKED RECYCLING QUESTIONS

What is Zero-Sort® Recycling?

Zero-Sort Recycling is Casella's state-of-the-art process which enables paper, cardboard, plastic, glass, metal, and more to be collected together in one bin without the need to separate.

How should I prepare my recyclables?

Recyclables should be rinsed clean of any food waste. Corrugated cardboard boxes should be broken down into smaller pieces. Lids and caps can remain on empty bottles. There is no need to tie newspaper or cardboard with twine.

What type of metal can I recycle?

Aluminum and tin cans are acceptable. Pots, pans, and scrap metal such as automotive parts, motors, and appliances are **NOT ALLOWED**.

Can I put my recyclables in clear plastic bags?

No. Plastic bags are not accepted in the Zero-Sort Recycling program. Many grocery and retail stores offer plastic bag recycling.

Can I still take my recyclables to the Transfer Station?

Yes. As of 8/1/18, there is a fee charged for dropping off recyclable items.

TRANSFER STATION INFORMATION

36 Sea Road
Kennebunk, ME 04043

Additional information on Transfer Station hours, acceptable materials and fee schedule can be found on the Town's website.
